5. Shareholders holding shares in physical form may write to the company/company's RTA for any change in their address and bank mandates; shareholders holding shares in electronic form may inform the same to their depository participants immediately, where applicable.
6. Members are requested to hand over the enclosed Attendance Slip, duly signed in accordance with their specimen signature(s) registered with the Company for admission to the meeting hall. Members who hold shares in dematerialised form are requested to bring their Client ID and DP ID Numbers for identification. In case of joint holders attending the Meeting, only such joint holders who are higher in the order of names will be entitled to vote
7. The Securities and Exchange Board of India has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they have demat accounts. Members holding shares in physical form can submit their PAN details to the Company/ Registrar and Share Transfer Agents (M/s. Kfin Technologies Ltd).
8. As a measure of austerity, copies of the annual report will not be distributed at the Annual General Meeting. Members are therefore, requested to bring their copies of the Annual Report to the Meeting.
9. In consonance with the company's sustainability initiatives and Regulation 36 of the SEBI (LODR) Regulations, 2015, the company is sharing all documents with shareholders in the electronic mode, wherever the same has been agreed to by the shareholders. Shareholders are requested to support this green initiative by registering/ updating their e-mail addresses for receiving electronic communications. Members holding shares in the same name under different ledger folios are requested to apply for consolidation of such folios and send the relevant share certificates to M/s. Kfin Technologies Limited., RTA of the Company for doing the needful.

10. SEBI has recently amended relevant provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 to disallow listed companies from accepting request for transfer of securities which are held in physical form, with effect from 1 April 2019. The shareholders who continue to hold shares in physical form even after this date, will not be able to lodge the shares with company / its RTA for further transfer. They will need to convert them to demat form compulsorily if they wish to effect any transfer. Only the requests for transmission and transposition of securities in physical form, will be accepted by the RTA.
11. For ease of conduct, Members who would like to ask questions/express their views on the items of the businesses to be transacted at the AGM can send their questions / comments in advance to email id compliance@bnrsecurities.com. The queries should be precise and in brief to enable the Company to answer the same suitably depending on the availability of time at the meeting..
12.  - i. to all the Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the Depositories viz. National Securities Depository Limited (NSDL) and the Central Depository Services (India) Limited (CDSL) as at the close of business hours on 20th, June, 2024 (viz. the "Record Date");
 - ii. to all the Members in respect of shares held in physical form after giving effect to their valid transfer or transmission or transposition requests lodged with the Company, if any, as at the close of business hours on 20th June, 2024.
31. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates as applicable to various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments made thereto from time to time. Some of the major features of the latest tax provisions on dividend distribution are stated as hereunder for a quick reference.

For Resident Shareholders, tax shall be deducted at source under Section 194 of the Income Tax Act, 1961 at 10% on the amount of Dividend declared and paid by the Company during financial year 2023-24 provided PAN is provided by the shareholder. If PAN is not submitted, TDS would be deducted @ 20% as per Section 206AA of the Income Tax Act, 1961.

However, no TDS shall be deducted on the dividend payable to a resident Individual if the total dividend to be received by them during Financial Year 2023-2024 does not exceed R 5,000/-. Please note that this includes the previous dividend(s) paid, if any, and future dividend(s) which may be paid, during the Financial Year 2024-2025, if declared.

In cases where the shareholder provides Form 15G (applicable to any person other than a Company or a Firm) / Form 15H (applicable to an Individual above the age of 60 years), provided that the eligibility conditions are being met, no tax at source shall be deducted. Apart from the above, since the TDS/ Withholding rates are different for resident and non-resident shareholders, members are requested to confirm their residential status as per the provisions of the Income Tax Act 1961, by sending an email at einward.ris@kfintech.com with cc to sabita@bnrsecurities.com Company shall arrange to email the soft copy of TDS certificate of the Members at their registered email ID in due course, post payment of the dividend amount and in remaining cases where no email ID is registered, TDS certificates shall be posted to the Members when the postal services function normally.

In view of above provisions, the shareholders are requested to update their PAN with the Company/R&T Agent (in case shares held in physical mode) and with the depositories (in case of shares held in demat mode). A Resident individual shareholder with PAN but not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H in the aforesaid manner, to avail the benefit of non-deduction of tax at source, by sending email to sabita@bnrsecurities.com upto 5.00 p.m. (IST) on 26.06.2024.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F or any other document which may be required to avail the tax treaty benefits under the provisions of Income Tax Act, 1961 by sending an email to sabita@bnrsecurities.com upto 5.00 p.m. (IST) on 26.06.2024.

32. Shareholders who have not yet en-cashed their dividend warrant(s) for the financial year 2016-2017 and/or any subsequent financial years, are requested to submit their claim to the R&T Agent of the Company immediately to avoid transferring of their unpaid dividend amount to IEPF A/c.

Members are further requested to note that pursuant to the provisions of Section 124 and 125 of Companies Act, 2013, the dividends if not en-cashed for a period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (IEPF) and the shares in respect of which dividends remain unclaimed for seven consecutive years are also liable to be transferred to the demat account of the IEPF Authority and no claim with the Company shall lie in respect thereof. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends /shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority in Form IEPF-5 available on www.iepf.gov.in. With respect to procedure for making claim from IEPF, please refer to Corporate Governance Report separately annexed and forming part of the Annual Report.

The Company has uploaded the information in respect of unclaimed dividends on the website of the Company www.bnrsecurities.com for ready reference of the members.

MANAGEMENT DISCUSSION & ANALYSIS

Introduction

In the financial year 2024, B.N. Rathi Securities Limited continued to strengthen its market position despite a volatile economic environment. Our commitment to leveraging technology and enhancing client experiences has been central to our strategy, resulting in robust financial and operational performance.

During the year the company raised its capital through preferential issue for the incremental working capital.

Economic Environment

The global economy faced significant headwinds, including geopolitical tensions and inflationary pressures. Domestically, the economic recovery post-pandemic provided opportunities for growth in the stockbroking sector. Regulatory changes aimed at enhancing market transparency also influenced our operating environment.

Industry Overview

The stockbroking industry witnessed increased participation from retail investors, driven by heightened market awareness and digital access. Competition intensified with the entry of discount brokers offering low-cost trading solutions. Technological innovation, particularly in fintech, reshaped client expectations and service delivery models. We being corporate member of the National Stock Exchange of India Limited (NSE) in the Capital Market, Future & Option and Currency Derivative Segments, the Bombay Stock Exchange (BSE) in the Capital Market and Future & Option Segment, Multi Commodity Exchange (MCX) and DP services with CDSL, we stand first in bringing new compliance implementations to make ourselves complied in all areas.

Financial Performance

Our revenue grew year-on-year, primarily driven by increased trading volumes and higher client acquisition.

Risk Management

We identified market volatility, regulatory changes, and cybersecurity threats as key risks. Our robust risk management framework includes real-time monitoring of trading activities, regular compliance audits, and comprehensive cybersecurity protocols to mitigate these risks. We have been fashioning our own responses to these challenges and we believe that we can turn them into opportunities, which can unlock growth for us in the future.

Opportunities

1. Growing Financial Services industry's share of wallet for disposable income.
2. Regulatory reforms would aid greater participation by all the class of investors.

3. everage in technology and digital transformation to enable best practices and process.

Threats

1. Slowdown in global liquidity flows
2. Intense competition from local and global players.
3. Geo-global tensions

Strategic Initiatives

During the year, we invested in upgrading our trading platform, enhancing its speed and reliability. We also launched an Algo service, catering to the growing demand for automated investment solutions.

Corporate Governance

Our commitment to strong corporate governance is reflected in our board's composition, which includes a diverse mix of experienced professionals. Regular board meetings, a strong internal audit function, and adherence to regulatory requirements are pillars of our governance framework.

Future Outlook

Looking ahead, we anticipate continued growth in retail investor participation. INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF B.N.RATHI SECURITIES LIMITED

Report on the Audit of Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of B.N.Rathi Securities Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the "Code of Ethics" issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially

misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act, read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by section 143 (3) of the Act, we report that:
 - i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- ii. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- iii. The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- iv. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with relevant rules issued there under;
- v. On the basis of written representations received from the directors as on March 31, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of section 164 (2) of the Act;
- vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 2 to this report;
- vii. In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- viii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) the Company does not have any pending litigations which would impact its financial position other than those disclosed.
 - ii) the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) there has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv)
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on the audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v)
 - a) The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.
 - b) The interim dividend declared and paid by the Company during the year and until the date of this audit report is in accordance with section 123 of the Act.
 - c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

Annexure “1”to the Independent Auditors’ Report

Re: B.N.Rathi Securities Limited (‘the Company’)

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

Clause 1:

- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

The Company has maintained proper records showing full particulars of intangible assets.

- (b) All property, plant and equipment have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the company.
- (d) The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year ended March 31, 2024.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

Clause 2:

- (a) To the best of our knowledge and as explained, the Company is not in business of sale of goods. Therefore, in our opinion the provisions of clause 3(ii) (a) of the Order is not applicable to the Company and hence not commented upon.
- (b) Company has not obtained any working capital limits in excess of `5 crores in aggregate from banks during the year on the basis of security of current assets of the Company. Therefore, in our opinion the provisions of clause 3(ii) (b) of the Order is not applicable to the Company and hence not commented upon.

Clause 3:

- (a) During the year, the Company has not granted loans or advances in the nature of loans, stood guarantee or provided security to any of the parties. Therefore, in our opinion the provisions of clause 3(iii) of the Order is not applicable to the Company and hence not commented upon.
- (b) During the year the investments made, guarantees provided, and the terms and conditions of the grant of all loans provided are not prejudicial to the Company’s interest.

- (c) Company has not granted any loan to its subsidiary and therefore clause 3 (iii)(c) is not applicable.
- (d) There are no amounts of loans granted to subsidiary companies, which are overdue for more than ninety days.
- (e) The Company had not granted loans to subsidiary company which had fallen due during the year.
- (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

Clause 4:

- (a) There are no loans, guarantees and security in respect of which provisions of sections 185 of the Act is applicable. Loans, investments, guarantees and security in respect of which provisions of section 186 of the Act are applicable, have been complied with by the Company.

Clause 5:

- (a) The Company has neither accepted any deposits from the public nor accepted any amount which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

Clause 6:

- (a) The Company is not in the business of sale of any goods or provision of such services as prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.

Clause 7:

- (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs and other statutory dues applicable to it. The provisions relating to sales tax, service tax, value added tax, duty of excise and cess are not applicable to the Company. According to the information and explanations given to us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) There are no dues of goods and services tax, provident fund, employees' state insurance, customs duty and other statutory dues which have not been deposited on account of any dispute.

Clause 8:

- (a) The Company has not surrendered or disclosed any transaction, previously unrecorded in

the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

Clause 9:

- (a) The Company did not have any outstanding loans or borrowings or interest thereon due to any lender during the year. Accordingly, the requirement to report on clause 3 (ix) (a) of the Order is not applicable to the Company.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company did not have any term loans outstanding during the year. Accordingly, the requirement to report on clause 3(ix) (c) of the Order is not applicable to the Company.
- (d) On an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary. The Company does not have any associate or joint venture.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiary. Accordingly, the requirement to report on clause 3(ix) (f) of the Order is not applicable to the Company.

Clause 10:

- (a) The Company has not raised any money during the year by way of initial public offer/further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the company.
- (b) The Company has raised money by way of preferential allotment of convertible warrants during the year under audit. All requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with. The funds raised through such preferential allotment were entirely utilised during the year under audit.

Clause 11:

- (a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Act has been filed by secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of audit procedures.

Clause 12:

- (a) The Company is not a Nidhi Company as per the provisions of the Act. Accordingly, the requirement to report on clause 3(xii) of the Order is not applicable to the Company.

Clause 13:

- (a) Transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and the details have been disclosed in the notes to the Standalone Financial Statements, as required by the applicable accounting standards.

Clause 14:

- (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.

Clause 15:

- (a) The Company has not entered into any non-cash transactions with directors or persons connected with its directors. Accordingly, the requirement to report on clause 3(xv) of the Order is not applicable to the Company.

Clause 16:

- (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934, are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (d) There is no Core Investment Company as a part of the Group. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

Clause 17:

- (a) The Company has not incurred cash losses in the current year and preceding financial year.

Clause 18:

- (a) There has been no resignation of the statutory auditors during the year and accordingly, requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.

Clause 19:

- (a) On the basis of the financial ratios disclosed in Standalone Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements, our knowledge of the Board of Directors' and management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

Clause 20:

- (a) The company has incurred expenditure on CSR activities which is within the purview of Schedule VII of section 135 of the Companies Act ,2013. In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Act, in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in Note 44 to the standalone financial statements.
- (b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of the Act. This matter has been disclosed in Note 44 to the standalone financial statements.

Annexure “2” to the Independent Auditor’s report of even date on the standalone Ind AS financial statements of B.N.Rathi Securities Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

TO THE MEMBERS OF B.N. RATHI SECURITIES LIMITED

We have audited the internal financial controls over financial reporting of B.N.Rathi Securities Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies

and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the standalone Ind AS financial statements of the Company, which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated , 14.05.2024 expressed an unqualified opinion.

**1. Corporate Information:**

B.N.Rathi Securities Limited (“BNRSL” or “the Company”) is a listed public company domiciled in India and is incorporated under the Companies Act, 1956 (“the Act”) on September 30, 1985. The registered office of the company is located at 6-3-652, IV Floor, Kautilya Amrutha Estates, Somajiguda, Hyderabad, Telangana – 500082.

The Company is primarily engaged in the business of broking in securities. The Company also deals in depository operations and institutional equities. The Company is listed on Bombay Stock Exchange Limited (“BSE”).

2. Significant Accounting Policies:

This note provides a list of the significant accounting policies adopted in the preparation of these separate financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation:

These separate financial statements are prepared in accordance with Ind AS under the historical cost convention on accrual basis except for certain financials instruments which are measured at fair value, the provisions of the Companies Act, 2013 (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015.

Accounting policies have been consistently applied except where the change is required by an Ind AS or change results in the financial statements providing reliable and more relevant information about the effects of transactions, other events or condition on the entity’s financial position, performance or cash flow.

b) Use of estimates and judgements:

The preparation of the financial statements in conformity with Ind AS required management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Difference between the actual results and estimates are recognized in the year in which results are known/materialized.

Although these estimates are based upon management’s best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

c) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment net of taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognized.

Trading income is recognized when a legally binding contract is executed.

Brokerage income and transaction charges are recognized on the trade date of the transaction upon confirmation of the transaction by the exchanges.

Interest income is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instruments but does not consider the expected credit losses.

Depository transaction charges are recognized on completion of respective transaction. Annual maintenance charges for depository accounts are accounted as and when the services are rendered.

Income from portfolio management fees are recognized on the basis of agreements entered into with the clients and when the right to receive income is established.

Dividends are recognized in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company and the amount of the dividend can be measured reliably.

d) Fair value measurement:

The Company measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and nonfinancial asset and liabilities.

Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The Company uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities.

e) Property, plant and equipment:

i. Recognition and initial measurement:

Property, plant and equipment are stated in the balance sheet at their carrying value being the cost of acquisition less accumulated depreciation. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

**ii. Depreciation, estimated useful lives and residual value:**

Depreciation on property, plant and equipment is provided on written down value method, computed on the basis of useful lives as estimated by management which coincides with rates prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

iii. De-recognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is de-recognized.

iv. Transition to Ind AS:

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 01, 2016 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

f) Intangible Assets:**i. Recognition and initial measurement:**

Intangible assets (software) are stated in the balance sheet at their carrying value being the cost of acquisition less accumulated depreciation. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

ii. Amortization and estimated useful lives:

Amortization on intangible assets is provided on written down value method, computed on the basis of useful lives as estimated by management which coincides with rates prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation of are reviewed at each financial year end and adjusted prospectively, if appropriate.

iii. Transition to Ind AS:

On transition to Ind AS, the company has elected to continue with the carrying value of all its intangible assets recognized as at April 01, 2016 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of intangible assets.

g) Impairment of assets:

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the Company estimates the recoverable amount of the asset or the cash generating unit. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

h) Leases:

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-Use Assets

The Company recognises right-of-use assets ("RoU Assets") at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in Section (g) Impairment of non-financial assets.

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the

Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. Lease liabilities have been presented under the head "Other Financial Liabilities". Lease liabilities have been presented under the head "Other Financial Liabilities".

(iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

i) Financial Instruments:

a. Financial Assets

Initial recognition and measurement

The company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition of financial assets that are not at fair value through profit or loss, are added to the fair value on initial recognition. Transaction costs of financial assets carried at fair value through profit and loss are expensed in the statement of profit and loss. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

- a. Debt instruments at amortized cost – A 'debt instrument' is measured at the amortized cost if both the following conditions are met:
- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

- b. Equity investments – All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.
- c. Mutual funds – All mutual funds in scope of Ind-AS 109 are measured at fair value through profit and loss (FVTPL).

Investments in subsidiaries, associates and joint ventures

Investment in subsidiaries, associates and joint ventures is carried at cost in the separate financials statements.

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of a similar financial asset) is primarily de-recognized (i.e., removed from the company's separate balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset.

b. Financial Liabilities

Initial recognition and measurement

The company recognizes financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial liabilities are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the issue of financial liabilities, that are not at fair value through profit or loss, are reduced from the fair value on initial recognition. Transaction costs that are directly attributable to the issue of financial liabilities at fair value through profit and loss are expensed in the statement of profit and loss.

Subsequent measurement

These liabilities include borrowings and deposits. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (EIR) method. Gains and losses are recognized in the statement of profit and loss when the liabilities are de-recognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

c. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

j) Borrowing costs:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying asset are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

k) Employee Benefits:**a. Short-term benefit plans**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized and measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

b. Defined contribution plans

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions, if any, are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

c. Defined benefit plans

The company's gratuity plan is a defined benefit plan. The present value of gratuity obligation under such defined benefit plans is determined based on actuarial valuations carried out by an independent actuary using the Projected Unit Credit Method [PUCM],

which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation. The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans, is based on the market yields on government securities as at the balance sheet date, having maturity periods approximately to the terms of related obligations. Actuarial gains and losses are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

The company has subscribed to a group gratuity scheme of Life Insurance Corporation [LIC]. Under the said policy, the eligible employees are entitled for gratuity upon their resignation, retirement or in the event of death in lumpsum after deduction of necessary taxes upto a maximum limit of liabilities in respect of the Gratuity Plan are determined by an actuarial valuation, based upon which the Company makes contributions to the Gratuity Fund.

l) Income Taxes:

Tax expense recognized in statement of profit or loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates and tax laws that have been enacted for the reporting period. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

m) Provisions, contingent liabilities and contingent assets:

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

n) Cash and cash equivalents:

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

o) Cash flow statement:

Cash flows are reported using the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated.

p) Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

In the process of recovery, the company entered into an agreement for sale of land on February 01, 2013 with his wife for a consideration of Rs. 14.74 lakhs. The consideration is to be treated as advance receivable by her from the company against the amount payable by her husband. The registration of land in favour of the company is pending. The company has decided to disclose the consideration under the head "Long term loans & advances" as 'Property pending for registration & possession.' The company has filed a suit for specific performance for the same. The status of the case is 'pending' and recovery of the same is doubtful.

40. Fair Value Measurements

i. Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Trade Payables	-	-	14,021.07	-	-	11,068.58
Total	-	-	14,021.07	-	-	11,068.58

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds FVTPL investments and investment in its subsidiaries.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors oversees the management of these risks. The Company's Board of Directors is supported by the senior management that advises on financial risks and the appropriate financial risk governance framework for the Company. The senior management provides assurance to the Company's board of directors that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The carrying amounts reported in the statement of financial position for cash and cash equivalents, trade and other receivables, trade and other payables and other liabilities approximate their respective fair values due to their short maturity.

41. Financial Instruments Risk Management
i. Market Risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, which will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

a. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has exposure only to financial instruments at fixed interest rates. Hence, the company is not exposed to significant interest rate risk.

b. Price Risk

The company's exposure to equity securities price risk arises from investments held by the company and classified in the balance sheet either at fair value through OCI or at fair value through profit and loss. The majority of the company's equity instruments are publicly traded.

ii. Credit Risk

Credit risk is the risk that a counter party fails to discharge an obligation to the Company, leading to a financial loss. The Company is mainly exposed to the risk of its balances with the bankers and trade and other receivables. Ageing of receivables is as follows:

Particulars	March 31, 2024	March 31, 2023
Past due not impaired:	-	-
0-30 Days	798.46	708.86
31-90 Days	317.28	68.20
91-180 Days	23.03	1.80
Greater than 180 Days	1.65	-
Total	1140.42	778.86

iii. Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. The Company's principal sources of liquidity are the cash flows generated from operations. The Company has no long-term borrowings and believes that the working capital is sufficient for its current requirements. Accordingly, no liquidity risk is perceived.

The tables below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is insignificant.

Particulars	Upto 1 year	From 1-3 years	More than 3 years	Total

Total	11,068.58	-	-	11,068.58

42. Capital Risk Management

The Company's objective when managing capital is to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for stakeholders. The Company also proposes to maintain an optimal capital structure to reduce the cost of capital. Hence, the Company may adjust any dividend payments, return capital to shareholders or issue new shares. Total capital is the equity as shown in the statement of financial position. Currently, the Company primarily monitors its capital structure on the basis of gearing ratio. Management is continuously evolving strategies to optimize the returns and reduce the risks. It includes plans to optimize the financial leverage of the Company.

The capital for the reporting year under review is summarized as follows:

Particulars	31-Mar-24	31-Mar-23

INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

TO THE MEMBERS OF B. N. RATHI SECURITIES LIMITED

Report on the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of B.N.Rathi Securities Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") comprising of the Consolidated Balance Sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2024, of consolidated profit/loss, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act, Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Consolidated

Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements.

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued there under.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE “2” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to Consolidated Financial Statements of the Parent Company and its subsidiaries (the Parent Company and its subsidiaries together referred to as “the Group”), which are companies incorporated in India, as of March 31, 2024, in conjunction with our audit of the Consolidated Financial Statements of the parent company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the respective companies, as adopted by each company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Group Information:

The consolidated financial statements of B.N. Rathi Securities Limited (“the Company”) together with its subsidiary (collectively referred as the ‘Group’ or the ‘consolidating entities’) are prepared with generally accepted accounting principles in India under the historical cost convention and on an accrual basis of accounting.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2. Significant Accounting Policies:

This note provides a list of the significant accounting policies adopted in the preparation of these consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation:

These consolidated financial statements are prepared in accordance with Ind AS under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value, the provisions of the Companies Act, 2013 (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015.

Accounting policies have been consistently applied except where the change is required by an Ind AS or change results in the financial statements providing reliable and more relevant information about the effects of transactions, other events or condition on the entity’s financial position, performance or cash flow.

Investments in subsidiary, except where the investments are acquired exclusively with a view to its subsequent disposal in the near future, are accounted in accordance with accounting principles as defined in the Indian Accounting Standard (Ind AS) 110 ‘Consolidated Financial Statements’, as prescribed under the Rules.

The financial statements of the consolidating entities are added on a line-by-line basis and material inter-company balances and transactions including unrealized gain and loss from such transactions are eliminated upon consolidation. The following subsidiary has been considered for the purpose preparation of consolidated financial statements.

Name of the consolidating entities	Country of Incorporation	Percentage Holding/Interest (%)	
		As at March 31, 2024	As at March 31, 2023
B. N. Rathi Comtrade Private Limited	India	100.00	100.00

b) Use of estimates and judgements:

The preparation of the consolidated financial statements in conformity with Ind AS required management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Difference between the actual results and estimates are recognized in the year in which results are known/materialized.

Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

c) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment net of taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognized.

Trading income is recognized when a legally binding contract is executed.

Brokerage income and transaction charges are recognized on the trade date of the transaction upon confirmation of the transaction by the exchanges.

Interest income is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. While calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instruments but does not consider the expected credit losses.

Depository transaction charges are recognized on completion of respective transaction. Annual maintenance charges for depository accounts are accounted as and when the services are rendered.

Income from portfolio management fees are recognized on the basis of agreements entered into with the clients and when the right to receive income is established.

Dividends are recognized in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group and the amount of the dividend can be measured reliably.

d) Fair value measurement:

The group measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and nonfinancial asset and liabilities.

Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The group uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities.

e) Property, plant and equipment:

i. Recognition and initial measurement:

Property, plant and equipment are stated in the balance sheet at their carrying value being the cost of acquisition less accumulated depreciation. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

ii. Depreciation, estimated useful lives and residual value:

Depreciation on property, plant and equipment is provided on written down value method, computed on the basis of useful lives as estimated by management which coincides with rates prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

iii. De-recognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is de-recognized.

iv. Transition to Ind AS:

On transition to Ind AS, the Group has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 01, 2016 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

f) Intangible Assets:

i. Recognition and initial measurement:

Intangible assets (software) are stated in the balance sheet at their carrying value being the cost of acquisition less accumulated depreciation. The cost comprises purchase price,

borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

ii. Amortization and estimated useful lives:

Amortization on intangible assets is provided on written down value method, computed on the basis of useful lives as estimated by management which coincides with rates prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation of are reviewed at each financial year end and adjusted prospectively, if appropriate.

iii. Transition to Ind AS:

On transition to Ind AS, the Group has elected to continue with the carrying value of all its intangible assets recognized as at April 01, 2016 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of intangible assets.

g) Impairment of assets:

At each reporting date, the Group assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the Group estimates the recoverable amount of the asset or the cash generating unit. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

h) Leases:

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing their right to use the underlying assets.

(i) Right-of-Use Assets

The Company recognises right-of-use assets ("ROU Assets") at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted

for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in Section (g) Impairment of non-financial assets.

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset. Lease liabilities have been presented under the head "Other Financial Liabilities". Lease liabilities have been presented under the head "Other Financial Liabilities".

(iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

i) Financial Instruments:

a. Financial Assets

Initial recognition and measurement

The Group recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition of financial

assets that are not at fair value through profit or loss, are added to the fair value on initial recognition. Transaction costs of financial assets carried at fair value through profit and loss are expensed in the statement of profit and loss. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

- a. Debt instruments at amortized cost – A ‘debt instrument’ is measured at the amortized cost if both the following conditions are met:
- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

- b. Equity investments – All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Group decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Group makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.
- c. Mutual funds – All mutual funds in scope of Ind-AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of a similar financial asset) is primarily de-recognized when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset.

b. Financial Liabilities

Initial recognition and measurement

The Group recognizes financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial liabilities are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the issue of financial liabilities, that are not at fair value through profit or loss, are reduced from the fair value on initial recognition. Transaction costs that are directly attributable to the issue of financial liabilities at fair value through profit and loss are expensed in the statement of profit and loss.

Subsequent measurement

These liabilities include borrowings and deposits. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (EIR) method. Gains and losses are recognized in the statement of profit and loss when the liabilities are de-recognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

c. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

j) Borrowing costs:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying asset are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

k) Employee Benefits:**a. Short-term benefit plans**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized and measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

b. Defined contribution plans

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions, if any, are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

c. Defined benefit plans

The group's gratuity plan is a defined benefit plan. The present value of gratuity obligation under such defined benefit plans is determined based on actuarial valuations carried out by an independent actuary using the Projected Unit Credit Method [PUCM], which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation. The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans, is based on the market yields on government securities as at the balance sheet date, having maturity periods approximately to the terms of related obligations. Actuarial gains and losses are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

The group has subscribed to a group gratuity scheme of Life Insurance Corporation [LIC]. Under the said policy, the eligible employees are entitled for gratuity upon their resignation, retirement or in the event of death in lumpsum after deduction of necessary taxes upto a maximum limit of liabilities in respect of the Gratuity Plan are determined by an actuarial valuation, based upon which the Group makes contributions to the Gratuity Fund.

l) Income Taxes:

Tax expense recognized in statement of profit or loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates and tax laws that have been enacted for the reporting period. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future taxable income. This is assessed based on the Group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Un-recognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits

will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

m) Provisions, contingent liabilities and contingent assets:

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

n) Cash and cash equivalents:

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

o) Cash flow statement:

Cash flows are reported using the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated.

p) Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Closing fair value of plan assets	51.54	41.28

The principal assumptions used in determining gratuity obligations for the Group's plans are shown below:

Particulars	March 31, 2024	March 31, 2023
Discount rate (%)	7.23%	7.52%
Expected rate of return on assets (%)	7.23%	7.52%
Salary escalation (%)	4.00%	4.00%
Attrition rate (%)	5.00%	5.00%

The estimates of future salary increase, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

34. Segment information

The Group has considered business segments as the primary segments for disclosure on the basis that the risks and returns of the Group are primarily determined by nature of services. During the year, the group's business has been carried out in India. The conditions prevailing in India being uniform, no separate geographical disclosures are considered necessary. There are no reportable Segments in the group under Indian Accounting Standard (INDAS) 108.

The Group has no dues to Micro and Small Enterprises as at March 31, 2024 and March 31, 2023 in the financial statements based on information received and available with the group.

40. During FY 2012-13, company entered into an agreement for sale of land with Mrs. Hari Gayathri, wife of Mr. Venkata Appa Rao Yeleswarapu, client of the company. Mr. Venkata Appa is liable to pay Rs. 34.43 lakhs to the company as on January 31, 2013. In the process of recovery, the company entered into an agreement for sale of land on February 01, 2013 with his wife for a consideration of Rs. 14.75 lakhs. The consideration is to be treated as advance receivable by her from the company against the amount payable by her husband. The registration of land in favour of the company is pending. The company has decided to disclose the consideration under the head "Long term loans & advances" as 'Property pending for registration & possession.' The company has filed a suit for specific performance for the same. The status of the case is 'pending' and recovery of the same is doubtful.

41. Fair Value Measurements
i. Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

ii. Financial assets and financial liabilities measured at fair value

Particulars	March 31, 2024	March 31, 2023
Fair Value Hierarchy Level	1	1
Financial Assets		
Listed Equity Instruments (Rs. in lakhs)	1,011.89	306.30

Trade Payables	-	-	14,021.07	-	-	11,068.58
Total	-	-	14,021.07	-	-	11,068.58

The Group's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's Board of Directors oversees the management of these risks. The Group's Board of Directors is supported by the senior management that advises on financial risks and the appropriate financial risk governance framework for the Group. The senior management provides assurance to the Group's board of directors that the Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

The carrying amounts reported in the statement of financial position for cash and cash equivalents, trade and other receivables, trade and other payables and other liabilities approximate their respective fair values due to their short maturity.

42. Financial Instruments Risk Management
i. Market Risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, which will affect the group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

a. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The group has exposure only to financial instruments at fixed interest rates. Hence, the group is not exposed to significant interest rate risk.

b. Price Risk

The group's exposure to equity securities price risk arises from investments held by the group and classified in the balance sheet either at fair value through OCI or at fair value through profit and loss. The majority of the group's equity instruments are publicly traded.

ii. Credit Risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the Group, leading to a financial loss. The Group is mainly exposed to the risk of its balances with the bankers and trade and other receivables.

Ageing of receivables is as follows:

Particulars	March 31, 2024	March 31, 2023
Past due not impaired:	-	-
0-30 Days	871.25	708.86
31-90 Days	317.28	68.20
91-180 Days	23.03	1.80
Greater than 180 Days	1.65	-
Total	1,213.21	778.86

iii. Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates. The Group's principal sources of liquidity are the cash flows generated from operations. The Group has no long-term borrowings and believes that the working capital is sufficient for its current requirements. Accordingly, no liquidity risk is perceived.

The tables below analyses the Group's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is insignificant.

43. Capital Risk Management

The Group's objective when managing capital is to safeguard the Group's ability to continue as a going concern in order to provide returns for shareholders and benefits for stakeholders. The Group also proposes to maintain an optimal capital structure to reduce the cost of capital. Hence, the Group may adjust any dividend payments, return capital to shareholders or issue new shares. Total capital is the equity as shown in the statement of financial position. Currently, the Group primarily monitors its capital structure on the basis of gearing ratio. Management is continuously evolving strategies to optimize the returns and reduce the risks. It includes plans to optimize the financial leverage of the Group.

The capital for the reporting year under review is summarized as follows:

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF B.N. RATHI COMTRADE PRIVATE LIMITED

Report on the Audit of Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of B.N. Rathi Comtrade Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required Companies Act 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act, read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with relevant rules issued there under;
 - (e) On the basis of written representations received from the directors as on March 31, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 2 to this report;
 - (g) In our opinion, Section 197 of the Act, is not applicable to the Private Limited Company.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv) a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Funding Parties (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
c) Based on the audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
v) The company has not declared or paid any dividend during the year.

Annexure 1 to the Independent Auditors' Report

Re: B.N. Rathi Comtrade Private Limited ('the Company')

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

Clause 1:

- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

The Company has maintained proper records showing full particulars of intangible assets.

- (b) All property, plant and equipment have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the Company has no immovable property. Accordingly, the provisions of clause 3(i)(c) of the Order are not applicable to the Company and hence not commented upon.
- (d) The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year ended March 31, 2024.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

Clause 2:

- (a) To the best of our knowledge and as explained, the Company is not in business of sale of goods. Therefore, in our opinion the provisions of clause 3(ii) (a) of the Order is not applicable to the Company and hence not commented upon.
- (b) Company has not obtained any working capital limits in excess of 5 crores in aggregate from banks during the year on the basis of security of current assets of the Company. Therefore, in our opinion the provisions of clause 3(ii) (b) of the Order is not applicable to the Company and hence not commented upon.

Clause 3:

- (a) During the year, the Company has not granted loans or advances in the nature of loans, stood guarantee or provided security to any of the parties. Therefore, in our opinion the provisions of clause 3(iii) of the Order is not applicable to the Company and hence not commented upon.
- (b) During the year the investments made, guarantees provided, and the terms and conditions of the grant of all loans provided are not prejudicial to the Company's interest.

- (c) Company has not granted any loan to its subsidiaries and therefore clause 3 (iii)(c) is not applicable.
- (d) There are no amounts of loans granted to subsidiary companies, which are overdue for more than ninety days.
- (e) The Company had not granted loans to subsidiary companies which had fallen due during the year.
- (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.

Clause 4:

- (a) There are no loans, guarantees and security in respect of which provisions of sections 185 of the Act is applicable. Loans, investments, guarantees and security in respect of which provisions of section 186 of the Act are applicable, have been complied with by the Company.

Clause 5:

- (a) The Company has neither accepted any deposits from the public nor accepted any amount which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

Clause 6:

- (a) The Company is not in the business of sale of any goods or provision of such services as prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.

Clause 7:

- (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs and other statutory dues applicable to it. The provisions relating to sales tax, service tax, value added tax, duty of excise and cess are not applicable to the Company. According to the information and explanations given to us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) There are no dues of goods and services tax, provident fund, employees' state insurance, customs duty and other statutory dues which have not been deposited on account of any dispute.

Clause 8:

- (a) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

Clause 9:

- (a) The Company did not have any outstanding loans or borrowings or interest thereon due to any lender during the year. Accordingly, the requirement to report on clause 3 (ix)(a) of the Order is not applicable to the Company.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company did not have any term loans outstanding during the year. Accordingly, the requirement to report on clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. The Company does not have any associate or joint venture.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries. Accordingly, the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.

Clause 10:

- (a) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit. Accordingly, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.

Clause 11:

- (a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Act has been filed by secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of audit procedures.

Clause 12:

- (a) The Company is not a Nidhi Company as per the provisions of the Act. Accordingly, the requirement to report on clause 3(xii) of the Order is not applicable to the Company.

Clause 13:

- (a) Transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and the details have been disclosed in the notes to the Standalone Financial Statements, as required by the applicable accounting standards.

Clause 14:

- (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.

Clause 15:

- (a) The Company has not entered into any non-cash transactions with directors or persons connected with its directors. Accordingly, the requirement to report on clause 3(xv) of the Order is not applicable to the Company.

Clause 16:

- (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934, are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (d) There is no Core Investment Company as a part of the Group. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

Clause 17:

- (a) The Company has not incurred cash losses in the current year and preceding financial year.

Clause 18:

- (a) There has been no resignation of the statutory auditors during the year and accordingly, requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.

Clause 19:

- (a) On the basis of the financial ratios disclosed in Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements, our knowledge of the Board of Directors' and management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

Clause 20:

- (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Act, in compliance with second proviso to sub section 5 of section 135 of the Act.
- (b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of the Act.

Annexure 2 to the Independent Auditor's report of even date on the standalone Ind AS financial statements of B.N.Rathi Comtrade Private Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

TO THE MEMBERS OF B.N. RATHI COMTRADE PRIVATE LIMITED

We have audited the internal financial controls over financial reporting of B.N. Rathi Comtrade Private Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the standalone Ind AS financial statements of the Company, which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated 13.05.2024 expressed an unqualified opinion.

**1. Corporate Information:**

B.N. Rathi Comtrade Private Limited (“BNRCPL” or “the Company”) was incorporated under the Companies Act, 1956 (“the Act”) on July 10, 2008. The registered office of the company is located at 6-3-652, IV Floor, Kautilya Amrutha Estates, Somajiguda, Hyderabad, Telangana – 500082.

The Company is primarily engaged in the business of broking in commodities.

2. Significant Accounting Policies:

This note provides a list of the significant accounting policies adopted in the preparation of these separate financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation:

The Ind AS Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“Act”) read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

b) Basis of Measurement:

The Ind AS financial statements have been prepared in accordance with Ind AS under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value.

c) Use of estimates and judgements:

The preparation of the Ind AS financial statements of the Company in accordance with Indian Accounting Standards (Ind-AS) requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities at the date of the financial statements.

These estimates are based upon management’s best knowledge of current events and actions; however, uncertainty about these assumptions and estimates could result in outcomes that may require adjustment to the carrying amounts of assets or liabilities in future periods. Appropriate revisions in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Revisions in estimates are recognized prospectively in the financial statements in the period in which the estimates are revised in any future periods affected.

d) Fair value measurement:

The Company measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and nonfinancial asset and liabilities.

Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The Company uses valuation techniques, which are appropriate in circumstances and for

which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities.

e) Property, plant and equipment:

i. Recognition and initial measurement:

Property, plant and equipment are stated in the balance sheet at their carrying value being the cost of acquisition less accumulated depreciation. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

ii. Depreciation, estimated useful lives and residual value:

Depreciation on property, plant and equipment is provided on written down value method, computed based on useful lives as estimated by management which coincides with rates prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

iii. De-recognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is de-recognized.

iv. Transition to Ind AS:

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 01, 2016, measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

f) Impairment of assets:

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the Company estimates the recoverable amount of the asset or the cash generating unit. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

g) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, considering contractually defined terms of payment net of taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognized.

Trading income is recognized when a legally binding contract is executed.

Brokerage income and transaction charges are recognized on the trade date of the transaction upon confirmation of the transaction by the exchanges.

Interest income is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. While calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instruments but does not consider the expected credit losses.

h) Leases:

Where the lessor effectively retains all risk and benefits of ownership of the leased items, such leases are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis.

i) Financial Instruments:**a. Financial Assets****Initial recognition and measurement**

The company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition of financial assets that are not at fair value through profit or loss, are added to the fair value on initial recognition. Transaction costs of financial assets carried at fair value through profit and loss are expensed in the statement of profit and loss. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

- a. Debt instruments at amortized cost – A 'debt instrument' is measured at the amortized cost if both the following conditions are met:
- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

- b. Equity investments – All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.
- c. Mutual funds – All mutual funds in scope of Ind-AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of a similar financial asset) is primarily de-recognized (i.e., removed from the company's separate balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset.

b. Financial Liabilities**Initial recognition and measurement**

The company recognizes financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial liabilities are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the issue of financial liabilities, which are not at fair value through profit or loss, are reduced from the fair value on initial recognition. Transaction costs that are directly attributable to the issue of financial liabilities at fair value through profit and loss are expensed in the statement of profit and loss.

Subsequent measurement

These liabilities include borrowings and deposits. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (EIR) method. Gains and losses are recognized in the statement of profit and loss when the liabilities are de-recognized as well as through the EIR amortization process.

Amortized cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

c. Offsetting financial instruments

Financial assets and liabilities are offset, and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

j) Borrowing costs:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period that is required to complete and prepare the asset for its intended use or sale. Qualifying asset are assets that necessarily take a substantial period to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

k) Income Taxes:

Tax expense recognized in statement of profit or loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly inequity.

Calculation of current tax is based on tax rates and tax laws that have been enacted for the reporting period. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either another comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant on-taxable income and expenses and specific limits on the use of any unused tax loss or credit. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Un-recognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or losses recognized outside profit or loss (either in other comprehensive income or in equity).

l) Provisions, contingent liabilities and contingent assets:

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

m) Cash and cash equivalents:

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

n) Cash flow statement:

Cash flows are reported using the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing, and financing activities of the company are segregated.

o) Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including bonus issue.

For calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of dilutive potential equity shares.

29. Fair Value Measurements
i. Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

FINANCIAL LIABILITIES						
Borrowings	-	-	-	-	-	-
Trade Payables	-	-	-	-	-	-
Total	-	-	-	-	-	-

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include, loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds FVTPL investments in equity shares.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors oversees the management of these risks. The Company's Board of Directors is supported by the senior management that advises on financial risks and the appropriate financial risk governance framework for the Company. The senior management provides assurance to the Company's board of directors that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The carrying amounts reported in the statement of financial position for cash and cash equivalents, trade and other receivables, trade and other payables and other liabilities approximate their respective fair values due to their short maturity.

30. Financial Instruments Risk Management

i. Market Risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, which will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

a. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has exposure only to financial instruments at fixed interest rates. Hence, the company is not exposed to significant interest rate risk.

b. Price Risk

The company's exposure to equity securities price risk arises from investments held by the company and classified in the balance sheet either at fair value through OCI or at fair value through profit and loss.

ii. Credit Risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company, leading to a financial loss. The Company is mainly exposed to the risk of its balances with the bankers and trade and other receivables.

Ageing of receivables is as follows:

Particulars	March 31, 2024	March 31, 2023
Past due not impaired:		
0-30 Days	72.79	-
31-60 Days	-	-
61-90 Days	-	-
91-180 Days	-	-
Greater than 180 Days	-	-
Total	72.79	-

iii. Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company considers the liquidity of the market in which the entity operates. The Company's principal sources of liquidity are the cash flows generated from operations. The Company has no long-term borrowings and believes that the working capital is sufficient for its current requirements. Accordingly, no liquidity risk is perceived.

The tables below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is insignificant.

31. Capital Risk Management

The Company's objective when managing capital is to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for stakeholders. The Company also proposes to maintain an optimal capital structure to reduce the cost of capital. Hence, the Company may adjust any dividend payments, return capital to shareholders or issue new shares. Total capital is the equity as shown in the statement of financial position. Currently, the Company primarily monitors its capital structure on the basis of gearing ratio. Management is continuously evolving strategies to optimize the returns and reduce the risks. It includes plans to optimize the financial leverage of the Company.
